

- 1. Before we start you need to make sure that you have the password that you use to log into your Mac when you first start it up.
- 2. Please write it down now we will need it later
- 3. This is the password that you are asked for when you first turn your Mac on at the initial screen like this one.
- 4. If you don't get this password prompt when you start then that's fine. You won't need one later.

OK having written down that password, We're going to take you through the process of installing a small programme onto your computer which will enable you to watch the online lectures from The Arts Society Falmouth.

I know some people are often worried about downloading computer software but this is very small and it's very safe and has been recommended by our central head office so please don't feel uncomfortable about doing this.

- 1. On this page at the bottom left hand corner is the START THE INSTALL BUTTON
- 2. Click on it
- 3. Depending on your internet connection speed go to the next screen

- 1. Your are automatically taken to the Zoom web site
- 2. A small programme automatically starts to download
- 3. In the box in the top right hand corner you see this
