

We're going to take you through the process of installing a small programme onto your computer which will enable you to watch the online lectures from The Arts Society Falmouth.

I know some people are often worried about downloading computer software but this is very small and it's very safe and has been recommended by our central head office so please don't feel uncomfortable about doing this.

- 1. On this page at the bottom left hand corner is the START THE INSTALL BUTTON
- 2. Click on it
- 3. Depending on your internet connection speed go to the next screen

- 1. Your are automatically taken to the Zoom web site
- 2. A small programme automatically starts to download
- 3. In the box in the bottom left hand corner the time remaining shows

- 1. Once the download completes
- 2. OPEN FILE message appears
- 3. Your virus scan programme (will check it automatically) but it is perfectly safe.
- 4. You need to click on the OPEN FILE
